Dear Ms. / Ms . XXXXX,

Subject : Inquiring about not getting shortlisted for the job role.

Thank you for considering me for the Data position role. I appreciate you taking the time to learn about my background and interest in the role as I have completed my interview round. Although I was eager to have an opportunity for this position, I do appreciate you sharing your decision with me.

Since I can tell that you are quite experienced in the hiring process, I would like to inquire why I did not get shortlisted for the job role. I would appreciate some feedback to learn what areas I could work on going forward. Becoming a Data scientist is my passion, so I want to do what I can to improve my career opportunities in this field. I am open to discussing this feedback on the phone, although I would also greatly appreciate an email response.

Thank you for your time and consideration,
Beesetti Saikumar.
